Peak's Mill.

Zack Church spent last Saturday and Sunday at Stamping Ground.

Mrs. Robert Penn, who has been lying dangerously ill with typhoid fever, is improving.

Miss Ella Shuck, of Pleasantville, is the guest of Miss Lena Black.

A Fortunate Woman.

Mrs. Mary L. Baker, of Ovid, Mich., has reason to be very thankful. She was a great sufferer from heart disease for years. She had short breath, had humping spells, pain in side, fluttering, faintness, etc. After taking two bottles of Dr. Miles' New Heart Cure, she says, "I am better than for 20 years. My mind and eyesight have improved wonderfully. I advise all persons thus afflicted to use this great remedy." J. W. Gayle, druggist, recommends and guarantees it. Dr. Miles' work on Heart Disease, containing marvelous testimonials, free.

Educational.

The schools are again victorious. In the Forks of Elkhorn case the Superior Court decided in favor of the trustees. This is the fourth time this case has been decided in the trustees' favor.

The trustees of the City Schools have given the County Schools the privilege of holding their meetings in the City School Building. Now let us have a good meeting next Saturday, the 18th. We will have no regular programme for that day, but can spend an hour or so very profitably in arranging our plans for the summer campaign. Let all come. 10 a. m. is the hour.

The S. T. A. meets in Henderson, Ky., on the 24th, 25th and 26th of June next.

Franklin county should send a strong delegation and thus show that we are still interested in the great cause.

The railroad gives us one fare for the round trip. Let us make up a grand excursion party for the occasion.

COUNTY SUPERINTENDENT.

Ben McGowan, who has been sick for a long time, we are glad to say is up again, but only a shadow of the Ben of a few weeks ago.

Zipah.

After a long delay, here we are again. The owl has recovered from the la grippe and brought us a few items.

Preparations for farming are progressing slowly in our vicinity, on account of the rainy weather we have had.

The store at this place, which we mentioned some time ago that would be opened in the interests of the Farmers Alliance, has donated its robes and come forth with great pomp and beauty, bringing a full line of merchandise suitable to equip any and every one interested.

Died—At Scrabble, east of this place, Saturday last, an infant child of Edward Harper's.

We are glad to know our brother, Catehum, is still in the land of the living. We did not know but what

Mrs. Nannie Moore and daughter, of Sweet Home, Henry county, visited this community last week.

CLOSE OBSERVER.

They All Failed.

The following letter from Mr. W. A. Thompson, of Columbia, Wis., is peculiarly interesting: "My wife," says he, "has been treated for her head, stomach and nervous prostration by three doctors in New York, two in Chicago, one in Philadelphia, one in St. Louis, and at the large Institute in Buffalo for 18 months. They all failed. But one bottle of Dr. Miles' Restorative Nerve helped her wonderfully. This should be used in all headaches, backaches, changes of the nervous disturbances, fits, rheumatism, etc. Ask at J. W. Gayle's drug store for a trial bottle and Dr. Miles' new book on the Nerves and Heart."

LOUISVILLE TOBACCO MARKET.

FURNISHED BY GLOVER & DURRETT, LOUISVILLE TOBACCO WAREHOUSE.

Sales on our market for the week just closed amount to 3,432 hhds., with receipts of 1,805 for the same period. Sales on our market since January 1st amount to 45,912 hhds. Sales of the crop of 1890 on our market to date 29,462 hhds.

The market for medium burleys was a little irregular the first of the week but since that time they have been improving in price and closes stronger than they have been for some time past. From good to fine grades are scarce and are freely taken at satisfactory prices. The same applies to everything with color, from the commonest to the best. The only sorts that remain dull and low are common house-burned cloudy leaf and dark trash. Old burleys have been scarce and prices are very much better.

The following quotations fairly represent our market for burley tobacco:

Trash (dark or damaged tobacco).....	\$2 00@	\$3 00
Colony leaf.....	3 00@	7 00
Common lugs not colony 3 50@	5 50	
Colony lugs.....	5 00@	10 00
Common leaf.....	7 00@	10 00
Medium to good leaf.....	10 00@	16 00
Good to fine fillers.....	16 00@	20 00
Select or wrappery leaf.....	20 00@	27 50

Jett.

Miss Jett Edwards is visiting friends here.

Miss Hallie Duval, of Texas, is a guest of Mrs. T. J. Jett.

Mr. Nob. Whittington paid this burg a flying visit last week.

Mrs. L. A. Owens is in Ghent, Ky., called there by the death of her brother.

Miss Katie Wright, who has been spending the winter traveling in New Mexico with her father, is expected home soon.

T. R. Jett, formerly of this place but now with N. Harris & Son, Versailles, spent the day with his father, T. J. Jett, last Sunday.

Glad to see the mention of Hon. J. C. South, of Arkansas, in your last issue. He's our Bud, and we are proud of him.

Mr. Lee A. Owen, our candidate for Representative, has been hard at work for several days shaking hands with the dear people. We are for Lee and think it is time this end of the county was getting something. We are good citizens and a law abiding people, and never have had one bit of the pie that is annually cut up and handed around. Give us a taste, please.

Mr. G. H. Jett, formerly of the Big Eddy neighborhood, has moved to Jett, and is now building a neat cottage on his lot. Let such work go on a little while and we will soon have quite a little city here.

The Jett Bible Reading Society (a splendid organization) have about raised enough money subscriptions to build a hall (or rather a Bible House as they call it) to be used as a house of religious worship only, at this place. We are glad to state that their efforts have been crowned with so much success, and hope to see in the near future a neat little Union Church in our little city, something we have needed for years. We would not refuse a dollar, Mr. Editor, or Mr. Anyone, if you should send it, and if you wish to send more I am sure the Treasurer would acknowledge the receipt of the same just as quick. mented by a large circle of friends and the entire community in which he had spent the greater portion of his long life.

Read His Announcement.

Mr. Lee A. Owen is announced in another column as a candidate to represent this county in the next Legislature. Lee is a clever fellow and should be so fortunate as to receive the nomination of his party will fill the position to the best of his ability.

Capt. Holloway Ill.

Capt. L. D. Holloway, Clerk of the Penitentiary, was attacked suddenly Thursday evening with a fainting spell, at his home on the corner of High and Clinton streets, and for a time it was thought he could not recover, but he rallied and was some better yesterday. The attack was caused by heart trouble. No man in this city has more warm friends than Captain Holloway, and it is earnestly hoped that he may soon be out again.

An Elegant Success.

The entertainment given to the members of the Constitutional Convention by the citizens of Frankfort on Thursday evening was in every way a very pleasant affair. There was a large crowd in attendance, the supper was first-class, the music for the dancing fine and every one present enjoyed themselves. The committee in charge managed everything splendidly and there was nothing to mar the pleasure of Frankfort's guests, who are loud in their praise of the treatment they received.

Nerve.

There is nothing like it. It is the foundation of all action. The man of Nerve is a success. The man without it is a failure. Many men and women are overworked, suffering with nervous prostration and longing for something to restore them again to vigor and health. There is one medicine that will accomplish the desired result. Dr. Hale's Household Tea cures nervous prostration, making the weak strong and gives nature a jog by putting all the organs of the system into a healthy condition. It is the finest remedy known. Dr. Hale's Household Tea, the great Blood Purifier and Nerve Tonic, is sold at 25 and 50c at Phil. Carpenter's South Side drug store.

Republican Convention.

The Republicans of Franklin county are requested to meet in mass convention at the Court-house in Frankfort, on Monday, May 14th, for the purpose of appointing delegates to the State Convention which meets in Lexington on the 20th of May.

M. M. DRAKE,
Chairman County Committee.

Sight is Priceless.

Mr. David Norton, of St. Paul, Minn., states that his son was entirely blind and had been kept in a dark room an entire year and treated by the best physicians of the city to no purpose, and all had given him up, saying he would never be any better, when they began using what has proven to be the finest remedy in the world for the cure of inflammation. Dr. Hale's Household Ointment. It was applied directly to the boy's eyes, which soon began to improve, and to-day his sight is entirely restored, and he is enjoying perfect health, owing to the use of the most wonderful remedy in the world—Dr. Hale's Household Ointment. Sold by Phil. Carpenter, South Side drug-store.

Go! Went! Gone.

The effort of Hon. Bennett H. Young to carry away our Capital and plant it at Louisville or Lexington was a failure, but we understand that his capture of our "Old Probability" is an assured success. Mr. E. C. Went, to whom we are indebted for all the rain, hail and snow that we have had and for precious little sunshine, has arranged to go with Col. Young to-morrow afternoon in his private car, on an expedition against the great silver-sided Tarpon of Florida. We hope Mr. Went's exodus from Frankfort will not prove a permanent abandonment and we wish the party better luck with the fish than Col. Young had with his Capital enterprise.

The advance of Salvation Oil has been a triumphal march from the beginning. It puts rheumatism to rout without apparent effort. Price 25 cents.

It is reported that famine threatens northern Russia, but it is a certainty that millions of colds will be bothering American people this winter. Against famine there is no protection, but for every cold there is a bottle of Dr. Bull's Cough Syrup. Sold everywhere at only 25 cents.

Burned Corn.

Five hundred bushels of corn in sacks, belonging to Mr. J. H. Told, piled upon the sandbar, below Hughes & Co.'s saw-mill, caught fire Monday morning and about three hundred and fifty bushels were destroyed.

"Away! Away! There is danger here! A terrible phantom is bending near! With no human look, with no human breath, He stands beside thee—the haunter—Death!"

If there is one disease more than another that comes like the unbidden guest at a banquet, it is Catarrh. Insidiously it steals upon you, "with no human breath," it gradually, like the octopus, winds its coils about you and crushes you. But there is a medicine, called Dr. Sage's Catarrh Remedy, that can tear you away from the monster, and turn the scythes' point of the monster's tongue up with a wonderful remedy offer, in good faith, a standing reward of \$600 for an incurable case of Catarrh in the head.

The Trials of Winter.

Winter is a trying period, even to those who have strong constitutions, but it is doubly trying to those who are weak and delicate, or who have a tendency to the various diseases that are bred and fostered in the stagnant atmosphere of closed and heated houses. The system should be kept strong and toned up with a liberal course of S. S. S., the great blood tonic and purifier. It acts like a charm. It increases the appetite, soothes the nerves, and beautifies the complexion—in short, it makes life well worth living.

Caton Stock Farm.

Mr. A. L. Thomas, Sup't. of Caton Farm at Joliet, Ill., remarks, "I enclose you amount for six bottles of Quinn's Ointment. As a rule I am conservative about saying anything, but after one year's trial I must confess that it will do all you claim for it."

YOUR STOREKEEPER is behind the age

if he doesn't keep SAPOLIO in stock. No city store is without it. The great grocers of the country handle no other scouring soap because the best housekeepers will not use cheap imitations which are liable to do damage far greater than the little saving in cost. If your storekeeper does not keep SAPOLIO tell him to wake up. If he offers you something else when you ask for SAPOLIO tell him to be wise and deal in genuine goods.

It pays to have the best.

FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky, as second-class matter, March 1, 1891.

W. A. LEWIS, Editor and Publisher.

FRANKFORT, APRIL 11, 1891.

Victory Is Ours.

After a long, hard tussle Frankfort succeeded in knocking her ancient enemies clear out of the ring on Wednesday, and it is now settled that the seat of government will remain here for all time. Frankfort has nothing to be ashamed of; she has fought all during this struggle fairly and squarely, resorting to no underhand or dishonorable means to accomplish her ends and comes out of the fight with her escutcheon untarnished. The little city of the valley vanquished the metropolis at the mouth of Beargrass and the "Capital of the Bluegrass," which is glory enough. The war's over, let's forget all about it and go to work to build up our city and make it hum with business.

Poor Lexington.

The Lexington papers are very sore over the action of the Constitutional Convention on the Capital question, but try to squeeze a little consolation out of the fact that there is a bare possibility that the first Legislature which meets after the adoption of the new Constitution may remove the seat of government to their city. In view of the fact that it will require the votes of two thirds of all the members elected to that body to remove the Capital, we are inclined to think that Lexington's chances are hardly apparent, for it will be an exceedingly cold day for Frankfort if she has not thirty-four friends in the next House of Representatives or thirteen in the Senate. And if that body fails to remove it Frankfort will be the Capital for all time. Then why not give up the dog-in-the-manger fight, accept the situation, and let's be friends?

Death of Dr. Hitchcock.

Rev. R. S. Hitchcock, D. D., formerly of this city, died on Monday at his home in Hollidaysburg, Pennsylvania, with pneumonia, and the remains were brought to Lexington on Wednesday for interment. Dr. Hitchcock first came to this city in the summer of 1863 as the Chaplain of the 2d Maryland Volunteer Infantry. Shortly after his regiment was ordered to Tennessee, he received an injury, by his horse falling upon him, which unfitted him for active service, and he resigned his commission, returned here and opened a high school for boys, which he conducted for several years and then removed to Lexington, where he married Miss Adams, daughter of the late G. M. Adams, of that city. Shortly after going to Lexington he was appointed to a professorship in Centre College and removed to Danville, where he remained until some six or seven years ago and then removed to Pennsylvania.

Dr. Hitchcock was possessed of a brilliant mind, a fine voice, of commanding presence, was a fine preacher and teacher, and it is with regret that we announce to our school-mates of 1863-'74 the death of our old teacher.

Died From Paralysis.

Mr. John H. Pattie, formerly of this city, was driving along the turnpike near Lawrenceburg Friday afternoon, when he was stricken with paralysis and the lines dropped from his hand. In attempting to recover them he fell from his buggy and was found some time after in an unconscious condition and carried to Lawrenceburg, where he received medical attention and revived sufficiently to tell of his misfortune. He was removed to the residence of his sister, near the Kentucky Military Institute, where he died on Saturday. The funeral took place Monday and the remains were interred in the Cemetery at this place.

During the war Mr. Pattie was a gallant soldier in the Confederate army and when the war closed commenced farming at his old home near Farmdale. He afterwards removed to this city and engaged in the grocery business, was afterwards a guard at the Penitentiary and for several years was policeman in charge of the Capitol grounds. He leaves four orphaned children,

three of them two young to take care of themselves, to the care of his sisters.

Death of Mrs. Duke.

Mrs. Mary B. Duke, mother of Mr. Green Clay Smith, formerly of this city, died at her home in Georgetown last week, aged 86 years.

A Louisville Delegation.

Fifteen prisoners were brought up from Louisville to the Penitentiary on Tuesday morning—nine white and six negroes. One was sent for life and the sentences of the balance ranged from one to fifteen years.

To Widen the Street.

Mr. H. R. Williams is preparing to build a stone wall along the line of his property on Cross street, between Main and Logan, and will fill up the south side of the street to a level so as to widen the roadway the full width of the street.

Insurance Paid.

The heirs of the late Mrs. A. C. Heller, formerly of this city, who died suddenly in Louisville several months ago, were paid \$1,000 on Tuesday by the Knights and Ladies of Honor, in which organization her life was insured for that amount.

The River Open.

The gate of Lock No. 1, on the Kentucky river, which was carried away by the high water several weeks ago, was found lodged in a drift-pile by the snag boat Kentucky, taken back to the lock and placed in position several days ago, and boats are now passing through the lock without any trouble.

Attention, Sir Knights.

There will be a call meeting of Frankfort Commandery, No. 4, Knights Templar, this evening at 7:30 o'clock, for the purpose of conferring the Templar order. Sir Knights are requested to appear in full dress uniform.

By order of M. D. AVERILL, Commander.

U. KEENON, Recorder.

Death of Mrs. Dudley.

The sad news was received in this city Tuesday afternoon of the death of Mrs. Dudley, widow of the late Jas. G. Dudley, of this city, which sad event took place at her home in Chicago, Illinois, after a brief illness with the grippe.

The remains arrived here Wednesday afternoon, and the funeral took place Thursday morning from the residence of Mr. R. M. Aldridge.

Death of Mrs. Lewis.

Mrs. W. P. Lewis, daughter of Mr. John F. Church, of this county, and sister of Mrs. M. P. Gray, Messrs. Lee S. and N. B. Church, of this city, died on Saturday at the residence of her husband, in Dayton, Ohio, after a brief illness.

The remains were brought to this city and the funeral took place Tuesday afternoon from the residence of Mr. M. P. Gray, the remains being laid to rest in the family lot in the Cemetery.

Bank at the Stamp.

A bank has been organized at Stamping Ground, on the Kentucky Midland Railroad, with the following officers: J. T. Reynolds, President; J. J. Yates, Vice President; W. G. Glass, C. H. Duval, Elijah Threlkeld, Dr. Chas. C. Lewis, Jesse Riddle and W. H. Foxhender directors. The bank starts out with \$15,000 capital stock but will increase it to \$25,000. The cashier and other officers have not yet been chosen.

Court Day.

Monday was a miserable day but there was a large crowd in attendance upon County Court. It being horse-show day a number of the animals were upon exhibition—trotters, draft and saddle horses. Messrs. Lee A. Owen, Charles Julian and Judge Geo. R. Bacon, in brief speeches at the Court-house, announced their candidacy for the Democratic nomination for Representative in the next Legislature.

Business was lively upon the streets and a great deal of stock changed hands. D. P. Bentley, auctioneer, reports the following sales: 7 horses from \$10 to \$75; 4 milk cows from \$15 to \$25; 14 head of two-year-old cattle at \$14.75 per head.

FRANKFORT THE CAPITAL.

Settled After Many Years.

The majority and minority reports of the Capital Location Committee, made to the Constitutional Convention, came up as a special order on Tuesday in that body, and elicited a lively discussion, which lasted until Wednesday afternoon, when the majority report was amended, upon the motion of Gov. Buckner, delegate from Hart county, to read as follows:

"The seat of Government shall remain permanently at Frankfort unless removed by a vote of two-thirds of the members elected to the first General Assembly which convenes after the adoption of this Constitution."

Which provision was adopted by a vote of 57 to 34, and thus the much vexed question of capital removal was settled for all time.

During the discussion strong speeches were made for Frankfort by Govs. Buckner and Knott, Hons. Thos. S. Pettit, Jap. C. Johnson, Judge Bullitt, W. H. Miller, W. R. Ramsey, Jas. P. Askew and I. N. Spaulding. The opposition was led by Hon. Chas. S. Bronston, of Lexington, Hon. Zach. Phelps, of Louisville, speeches also being made in favor of submission to a vote of the people by Judge W. M. Beckner, Hons. Morris Sachs, T. J. Wood, B. F. Bennett, Bennett H. Young and others.

The section was adopted by such a decided majority of all the members elected to the Convention that it is hardly possible that two-thirds of the next Legislature can be induced to vote in favor of the removal of the Capital to either Louisville or Lexington, which are the only places in the State which seem to want it.

Large delegations were present from both Lexington and Louisville on Tuesday and Wednesday, and when the final vote was announced "the subsequent proceedings interested them no more," and they went away sorrowful.

Thursday evening the members of the Convention were entertained at an elegant banquet at the Capital Hotel by the citizens of Frankfort.

FOR THE PLAINTIFF.

Messrs. E. H. Taylor, Jr., & Sons Obtain Judgment Against the Geo. T. Stagg Co.

The suit of Messrs. E. H. Taylor, Jr., & Sons vs. The Geo. T. Stagg Co., which was tried at a special term of Franklin Circuit Court, which convened on Tuesday of last week, was decided on Wednesday by Judge Warren Montfort in favor of the plaintiffs. Messrs. Taylor & Sons, in their petition, asked for an injunction restraining the defendants from doing business under the name of the E. H. Taylor, Jr., Co., and for fifty thousand dollars damages for the time said defendants have so used Mr. Taylor's name since he severed his connection with them. The Judge, in his opinion, grants the injunction asked for and also gives the plaintiffs damages, the measure of which is to be determined by the Commissioner of the Court, to whom the matter is referred.

Messrs. Stagg Co. will carry the case to the Court of Appeals.

Didn't Turn Out That Way.

The following appeared in the Louisville Post early in the night before the Constitutional Convention for the removal of the Capital:

"When the question of capital removal has been pressed pretty hard some Frankfort people have been heard to say: 'Well, they'll have the penitentiary, too, we won't kick much.' Mr. Phelps, of Louisville, and Mr. Bronston, of Lexington, sit together back against the lobby the other day, Judge Lindsay, who is trying to hold the capital in Frankfort, entered the hall and took a seat just into it for Frankfort and have an amicable arrangement all around?"

"For my part," said the Judge, "I'm willing to do the fair thing—but how do you propose to do it?" "Louisville gets the Court of Appeals, Lexington the Capital, and Frankfort the penitentiary." And the last for the Judge.

But Frankfort got it all, Louisville and Lexington got left, and the laugh is now with Judge Lindsay.

Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known. 30-1m.

Why! What can it be, but suffering and sorrow, disease and death, if you neglect the symptoms of a disordered liver? Take Dr. Pierce's Golden Medical Discovery. It outdials all other remedies. Bold under conviction that it must either benefit or cure the patient, or the money paid for it will be promptly returned. F. & L. U. MILL.

The Farmer's and Laborer's Union of the Peak's Mill neighborhood have formed a joint stock company for the purpose of erecting a steam flour mill in the town of Peak's Mill, have let the contract and the foundation for the structure is being laid. The mill is to be supplied with all of the most improved machinery and is to have a capacity of fifty barrels a day.

Protect Your Health.

Cold and moisture combined have a torpid effect upon the bodily organs, and the digestive and excretory processes are so much less fully performed in winter than in the fall. The same is true, also, of the excretory functions. The bowels are sluggish, and the pores of the skin throw off but little waste matter at this season. Therefore, requires opening up a little, and also purifying the system, and the safest, surest and most thorough tonic and alterative that can be used for these purposes is Hostetter's Stomach Bitters. Persons who wish to escape the rheumatic twinges, the erysipelas, the painful discharges of the bowels, the bilious attacks, and the nervous visitations, so common at this time of the year, will do well to reinforce their systems with this renowned vegetable compound and invigorant. It improves the appetite, strengthens the stomach, clears the spirits and restores the whole physique.

THAT TERRIBLE COUGH

In the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening, and the sweats at night, all or any of these things are the first stages of consumption. Dr. Acker's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by J. W. GAYLE, Druggist.

THE GRAND CONCLAVE.

Meeting of the Grand Commandery of Knights Templar.

The forty-fourth annual convocation of the Grand Commandery of Kentucky, Knights Templar, will be held in this city on the 27th and 28th of May. The general committee of Frankfort Commandery, No. 4, have been busily engaged in perfecting arrangements for the meeting, which are now complete, and everything is in readiness.

Handsome invitations have been sent out to all the Commanderies of the State and the indications are that the attendance of uniformed knights will be exceedingly large. DeMolay and Covington Commanderies have already engaged quarters for about fifty knights each and their bands of music, and Louisville, No. 1, Mayville, No. 10, and Newport, John C. Beckwith, of Caroline, Lexington, Bowling Green, Russellville, Henderson, Paducah, Mt. Sterling and Owensboro Commanderies will also be here in force, and the parade on the 27th will be one of the finest sights ever seen upon our streets. It is hoped all of our business houses will be decorated and that the city will put on her best bib and tucker to welcome these pilgrims, who will "travel from afar" to partake of our hospitality.

The following programme has been arranged for the meeting:

WEDNESDAY, MAY 27TH.

At 8:00 a. m. Commanderies assemble at their headquarters and await the orders of the Grand Captain General.

10:00 a. m. Escort R. E. Grand Commander to First Presbyterian Church, where Grand Commandery will attend the Office of Public Worship for Knights Templar, the sermon by Past Grand Commander Rev. J. M. Worrell, D. D., of Danville.

During these services several beautiful anthems will be rendered by some of our best singers.

12:00 m. Grand Commandery assemble at Hall of House of Representatives. Address of welcome by ex-Gov. and Sir J. Procter Knott. Response by R. E. Grand Commander.

1:30 p. m. Reception of Sir Knights and ladies at Headquarters of Frankfort Commandery, Sower & Ahler's Hall, No. 309 Main Street.

8:00 p. m. Reception at Executive Mansion, tendered by His Excellency Gov. and Sir S. B. Buckner to the Grand Commandery of Kentucky.

THURSDAY, MAY 28TH.

9:00 a. m. Grand Commandery will assemble at Hall of House of Representatives.

8:00 p. m. Public Installation of Grand Officers at Opera House by Sir W. LaRue Thomas, Very Eminent Grand Generalissimo of the Grand Encampment of the United States, assisted by R. E. Sir William Ryan, Past Grand Commander of Kentucky, as Grand Marshal.

A splendid musical programme has been arranged by Mrs. Alice Orblison, which will be rendered during these ceremonies.

On Friday morning the Grand Commandery will go to LaGrange, by invitation, to unveil the monument which has been erected by the Masonic Fraternity over the remains of the late Dr. Rob Morris, poet laureate of Freemasonry in the world, and Past Grand Master, Past Grand High Priest and Past Grand Commander of Kentucky.

The headquarters of Frankfort Commandery, No. 4, at Sower & Ahler's Hall, will remain open night and day during the session, and the Knights and their ladies will be served at all hours with a first-class meal, the menu cards for which have been prepared and contain all that the appetite can call for. The meeting promises to be exceedingly pleasant to all who may attend.

We are requested by Mr. James M. Raffelt, Chairman of the Committee of Invitation, to say that if any Knight

Templar has lady friends he wishes invited, if he will leave a list with him he will take pleasure in sending the invitations.

Messrs. Sower & Ahler will have on hand a large stock of Templar banners and other decorations suitable for the occasion, which will be supplied to our people at lowest prices.

Carry the news to Mary.

And, pray, be not too long. For she is fast declining. And, surely 't would be wrong not to order of Dr. Pierce's Favorite Prescription. We do want Mary to know, in some way or other, that this world-famed remedy will cure her and save her life. It's just the medicine for young womanhood, and thousands have it bridged over that perilous sea.

From every State, from every city, from nearly every neighborhood in this broad land, comes the grateful acknowledgment of what it has done and is doing for our daughters. The only medicine for the distressing and painful irregularities and weaknesses of woman, sold with a positive guarantee to give satisfaction in every case, or money refunded. In other words, sold on trial!

An unusual offer

—the one that's made by the proprietors of Dr. Sage's Catarrh Remedy. Unusual, but made in good faith. It's a reward of \$500 for an incurable case of Catarrh. If you have one, the money's for you. But you can't know whether you have one, till you've tried Dr. Sage's Remedy. What's incurable by any other means, yields to that. By its mild, soothing, cleansing and healing properties, it cures the worst cases, no matter of how long standing. That's the reason the money can be offered. There's a risk about it, to be sure. But it's so small that the proprietors are willing to take it. The symptoms of catarrh are, headache, obstruction of nose, discharges falling into throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody, putrid and offensive; eyes weak, ringing in ears, deafness; offensive breath; smell and taste impaired, and general debility. Only a few of these symptoms likely to be present at once.

NO CURE, NO PAY.
The MAGIC REMOVER fills a long felt want with owners of Horses or Cuts with Warts, Knots, Bruires, Cuts, Strains, Sprains, Old Sores, Barb Wire Cuts, etc. It makes no difference how long the knot has been there, or how hard it is, (if it is not of the bone,) we will take it off on the "NO CURE, NO PAY" plan. In removing the knot the hair comes off, and the place becomes very sore; when you stop using it, the hair comes back its original color, and not a trace of the knot is left. For plan of insurance, etc., call at the nearest druggist's, and bring your animal with you.
